Re: Lighthouse Wind LLC, Case No. 14-F-0485
Response to Applicant's Stipulation Process Proposal

Dear Secretary Burgess and Your Honors:

On behalf of Save Ontario Shores, Inc., a party to the above-referenced proceeding, please accept this letter in response to the applicant's proposal for a stipulations process.

Responses filed on April 15 by the towns of Somerset and Yates note that the Lighthouse Wind stipulations proposal improperly limits stakeholder participation. The proposal specifically excludes stipulations offered by parties other than the applicant, and (as pointed out by the Town of Yates) by requiring a work session for all issues sets the stipulations process up for failure. Accordingly, SOS supports the alternative proposals of the two towns and requests that an Order be issued incorporating those provisions.

Respectfully submitted,

/s/
Gary A. Abraham
Attorney for Save Ontario Shores, Inc.
