RE: Galloo Island Wind Project, Hounsfield, New York – Sale of project to Apex Clean Energy, LLC.

Dear Secretary Burgess:

Please be advised that Hudson North Country Wind 1, LLC has sold its interest in the Galloo Island Wind Project to Apex Clean Energy, LLC. of Charlottesville VA. The Galloo Island Wind Project is currently active in the Article 10 siting review process under Case 15-F-0327. Over the coming days and weeks we will work closely with DPS staff to update the Docket to reflect the change in ownership as well as to communicate this change to the stakeholders involved in this project.

I will remain actively involved in the development of Galloo Island Wind. If you or your staff should have any questions, please feel free to contact me at (609-933-4293), or by email at neil.habig@apexcleanenergy.com.

Sincerely,

Neil Habig
