Re: Case 16-E-0060 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Consolidated Edison Company of New York, Inc. for Electric Service.

Dear Secretary Burgess:

Earlier this afternoon, Consolidated Edison Company of New York, Inc. (the "Company") filed *Comments Supporting Resolution of Output-based EAM Issues* ("Comments") in the above-referenced proceeding. After filing the Comments, the Company received a note from Consumer Power Advocates ("CPA") clarifying an earlier note and stating that CPA would be opposing the Comments filed by the Company. I'm attaching a revised draft of the Comments that removes language stating that CPA is in the "neither support nor oppose" category.

Please contact me if you have any questions.

Thank you.

Very truly yours,
