RE: Case 15-F-0377 – Application of Bull Run Energy LLC

Dear Secretary Burgess:

Pease and Gustafson, LLP represents the Town of Clinton, the Town of Ellenburg, the Town of Altona and the Town of Mooers (collectively, the “Municipalities”) in the above-referenced matter.

The Municipalities are in receipt of the “Notice of Filing of a Preliminary Scoping Statement and Deadline for Submitting Comments,” dated July 28, 2016, in connection with the above-referenced matter. The Notice states that comments on the Bull Run Preliminary Scoping Statement (“PSS”) must be received by the Public Service Commission (“PSC”) by the close of business on Wednesday, August 17, 2016.

We have only recently been retained by two of the municipalities and therefore have not yet had the opportunity to fully explore and discuss any concerns they may have with regard to the PSS. Since we intend to jointly file comments on behalf of the Municipalities, we respectfully request that the PSC extend the deadline for comments on the PSS to August 26, 2016, to allow us sufficient time for review.

Thank you for your consideration. Should you have any questions or concerns, please do not hesitate to contact me by email at [ericj@pgnylaw.com](mailto:ericj@pgnylaw.com) or by phone at (315) 769-3898.

Sincerely,

Eric J. Gustafson, Esq.  
Attorney for the Municipalities
