Re: Case Number 14-F-0485

Dear Ms. Burgess,

Please find the attached document analyzing public comments submitted to the DPS site regarding the Lighthouse Wind Project (Case Number: 14-F-0485). The analysis shows a clear, ongoing and massive opposition to this project, as proposed for the Towns of Yates and Somerset by APEX Energy.

The will of the people is clear. This project must not move forward. Article 10 must not be allowed to suppress the Home-Rule will of the people.

Please feel free to contact me with any questions you may have.

Sincerely,

John B. Riggi  
Councilman, Town of Yates
