Dear Secretary Phillips,

On November 19, 2020, the New York State Public Service Commission ("Commission") issued an order ("Order") in the above-referenced proceedings Approving Modification to Liberty Utilities (St. Lawrence Gas) Corp's ("the Company" or "Liberty SLG") Certificate of Public Convenience and Necessity. Liberty SLG was ordered to notify the Secretary to the Commission in writing of all distribution and service lines constructed since the issuance of this Order within six months, and every six months thereafter of issuance as set forth in Ordering Clause 11.

Liberty SLG reports no new mains or services lines have been constructed in the past 6 months, applicable to this order.

If there is anything further required to demonstrate compliance with this requirement, please let me know. Thank you for your continued attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kimberly S. Baxter'.
