RE: Case 16-G-0369 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Corning Natural Gas Corporation for Gas Service

Dear Secretary Burgess:

Enclosed for filing, pursuant to the September 13, 2016 Ruling on Schedule in this proceeding, please find the proposed rebuttal evidence of Corning Natural Gas Corporation (“Corning” or the “Company”). This proposed evidence consists of the Rebuttal Testimony of Firouzeh Sarhangi and L. Mario DiValentino (the Company’s Accounting and Policy Panel), together with seven exhibits (Exhibits ___ (CAP-R-1) through ___ (CAP-R-7)); the Rebuttal Testimony of Matt J. Cook, together with two exhibits (Exhibits ___ (MJC-R-1) and ___ (MJC-R-2)); the Rebuttal Testimony of Russell S. Miller; the Rebuttal Testimony of Stanley G. Sleve; the Rebuttal Testimony of Ann E. Bulkley, together with eleven exhibits (Exhibits ___ (AEB-R-1) through ___ (AEB-R-11)); and the Rebuttal Testimony of Paul M. Normand, together with three exhibits (Exhibits ___ (PMN-R-1) through ___ (PMN-R-3)). We note that, because Mr. Miller’s testimony contains certain confidential information appropriately deemed “confidential commercial information” and/or “trade secrets” under the Commission’s regulations, the enclosed copy of his testimony is redacted. Under separate cover, we are filing the unredacted copy of that testimony with the Administrative Law Judges and requesting that it be afforded confidential treatment.

Copies of this rebuttal filing are being served electronically on Administrative Law Judges Mullany and Wiles, as well as on the Department of Public Service Staff, the Utility Intervention Unit of the Department of State’s Division of Consumer Protection, and Multiple Intervenors.
