

Lighthouse Wind Project Email Tracking Log March - April 2016

Hour	Date	First Name	Last Name	Author	Message/Logged Contact
19:25:52	14-Mar-16	Christine	Bronson	Christine Bronson	<p>Note by Lighthouse Wind: This message is in regards to a message sent to Glenn Maid on March 14th, on which Ms. Bronson was carbon copied.</p> <p>Apex' response is bizarre and shows no relation to the items Glenn enumerated in the posing of his question to them. There are 3 famous initials ending in a question mark that describe it too.</p> <p>Chris</p>
14:21:36	20-Apr-16	Janet	Goodsell	Janet Goodsell	<p>Gentlemen:</p> <p>Here is a link to a very good article about a Danish island that refutes some of the questionable allegations of the anti-wind forces in Somerset, NY and elsewhere.</p> <p>http://www.cbsnews.com/news/samso-denmark-renewable-energy-climate-change-global-warming-solar-wind-power/?bhid=26947308820700045217659976774601</p> <p>Janet M. Goodsell, Sierra Club Writers Group</p>
14:17:32	26-Apr-16	Janet	Goodsell	Taylor Quarles	<p>Janet,</p> <p>Thanks for the article. I appreciate your interest in our project and in promoting wind energy. Please continue to stay in touch!</p> <p>Sincerely,</p> <p>Taylor Quarles</p>
14:19:13	26-Apr-16	Janet	Goodsell	Taylor Quarles	<p>Janet,</p> <p>Thanks for the article and interest in our project. I appreciate your support and encourage you to stay in touch!</p> <p>Sincerely,</p> <p>Taylor Quarles</p>
20:41:55	3-Mar-16	Don	Lewicki	Taylor Quarles	<p>Note by Lighthouse Wind: This message is in response to a question received by Mr. Lewicki previously which is visible on the January - February Email tracker.</p> <p>Mr. Lewicki,</p> <p>The buildable area map you reference does not incorporate an indication of land under lease. It is in essence showing all the possible buildable area in the project area using the setbacks listed clearly on the map.</p> <p>Sincerely,</p> <p>Taylor Quarles</p>
0:56:48	14-Mar-16	Glenn	Maid	Taylor Quarles	<p>Note by Lighthouse Wind: This message is in response to a question received by Mr. Maid previously which is visible on the January - February Email Tracker.</p> <p>Mr. Maid,</p> <p>Pardon the delay in response.</p> <p>Lighthouse Wind intends to submit an article 10 application which will satisfy the requirements of the regulations. This application will be a result of the extensive outreach we have performed as part of the pre-application process including the PIP, PSS, PSS comment response, and stipulations period, and will list the location of any components proposed, and the landowners in the area who have agreed to host these project components.</p> <p>The opinions of stakeholders and members of the public have been kept in the public record throughout the process thus far, and will continue to be diligently recorded both before and after the article 10 application is submitted. This record will be considered along with the application by the siting board.</p> <p>Sincerely,</p> <p>Taylor Quarles</p>
3:50:01	18-Mar-16	Glenn	Maid	Glenn Maid	<p>Good Morning,</p> <p>We are well aware that the application phase is next. We know that Apex / Lighthouse Wind will be filing an application.</p> <p>You have again failed to answer any of my questions, so I have to ask them again, in the slightest of chances that you may actually give me a straight answer.</p> <p>Why does your company continue to move forward with the project when you are clearly not wanted, and not needed ?</p>
19:56:15	4-Apr-16	Glenn	Maid	Taylor Quarles	<p>Mr. Maid,</p> <p>Lighthouse Wind is supported by numerous members of the community, including landowners who have chosen to participate in the project and other supporters who are not participants.</p> <p>Input by all members of the community, whether for or against will be presented as part of the article 10 process and in the final application, and will be under consideration by the siting board.</p> <p>Sincerely,</p> <p>Taylor Quarles</p>

17:19:59	22-Apr-16	Mike	Mumau	Mike Mumau	When will the back and forth stop so you know if you can/cannot proceed? Mike Mumau President Kee Safety, Inc. (716) 896-4949 ext. 129
18:15:30	22-Apr-16	Mike	Mumau	Taylor Quarles	Mike, We are planning to submit an application this fall. This would present all of the study results and project details such as turbine model and location. I think this info would certainly help in regard to answering folks questions. Taylor
19:05:45	18-Apr-16	William	Rounds	William Rounds	Taylor, I forgot to ask you. In the meeting you said something about jobs created by the project. Is there a place to go look at possible jobs that might come available with this project? Thanks William
17:16:25	22-Apr-16	William	Rounds	Taylor Quarles	William, For jobs we anticipate around 250 construction jobs for the year of construction, and then 8-13 operations jobs for the life of the project. Not far enough along to be able to offer much on these, but definitely encourage you to keep in touch. Once we submit an application we will begin to have a better idea on timing. Taylor
17:18:49	22-Apr-16	William	Rounds	William Rounds	Ok great. I have a lot of years of management experience. Thanks for the info Thanks William
22:25:17	11-Mar-16	Peg	Schwabel	Peg Schwabel	Hi, Shelley, If this gets through to you, here is the attempt I made to get the situation corrected at Verizon and the original message that did not get to you. Peg
0:46:16	14-Mar-16	Peg	Schwabel	Taylor Quarles	Ms. Schwabel, It appears you intended to send this email to Shelly, and not info@lighthousewind.com Sincerely, Taylor Quarles
1:42:04	14-Mar-16	Peg	Schwabel	Peg Schwabel	Yes, I did. Thank you. Verizon is not always reliable with e-mail and they have been sending system errors lately.
15:41:14	22-Apr-16	Brianna	Therkelsen	Brianna Therkelsen	Good Morning, I'm reaching out because I saw your recent post Lake Ontario Turbines - Studies & Resources on your site. My name is Brianna Therkelsen and I'm the Content Director for SaveOnEnergy.com. We recently created an animated info graphic explaining how Wind Turbines work, and I think it would be a great additional resource for your blog. The link to the resource is: https://www.saveonenergy.com/how-wind-turbines-work/ We would love to have the graphic shared if you find it useful. Please feel free to contact me if you have any questions. All the best, Brianna Therkelsen
14:09:13	26-Apr-16	Brianna	Therkelsen	Taylor Quarles	Brianna, Thanks for sending over the graphic. I will check it out and may use for educational purposes. I also look forward to perusing your website. Sincerely, Taylor Quarles Project Manager Lighthouse Wind
