Re: Lighthouse Wind LLC
Case 14-F-0485

Dear Secretary Burgess:

I am submitting a letter sent to Apex executives Mark Goodwin, President and COO, and Sandy Keisky, CEO, at the time of our August rally. This rally was attended by hundreds of people who do not support the Lighthouse Wind project. You should be aware that during this rally along the shore of Lake Ontario, a tremendous downpour soaked those attending and **no one left**. We continue to ask Apex Clean Energy to withdraw their project from our area because of the overwhelming opposition from so many residents, elected officials, tourism and environmental groups.

Please find attached the following letter: [SOS-Apex Withdrawal Letter Rally Version](#)

As always, please do not hesitate to contact me if you should have any questions.

Sincerely,

// signed//
