Re: Case 14-M-0094 – Proceeding on Motion of the Commission to Consider a Clean Energy Fund.

Case 10-M-0457 – In the Matter of the System Benefits Charge IV.

Case 07-M-0548 – Proceeding on Motion of the Commission Regarding an Energy Efficiency Portfolio Standard.

Case 03-E-0188 – Proceeding on Motion of the Commission Regarding a Retail Renewable Portfolio Standard.

Dear Ms. Milonovich:

I received your letter dated May 13, 2016 on behalf of the New York State Energy Research and Development Authority (NYSERDA) requesting an extension to file its NY-Sun Program Quarterly Report as directed by the Commission's *Order Authorizing the Clean Energy Fund Framework*, issued January 21, 2016 in the above proceedings. The Report is due May 16, 2016.

You state that an extension is necessary for NYSERDA to appropriately address data quality issues for a subset of projects that will improve the accuracy of the information to be reported.

This is to advise that an extension has been granted to the New York State Energy Research and Development Authority to May 23, 2016, to file its NY-Sun Program Quarterly Report with the Commission. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.

Valerie S. Milonovich

This ruling will be posted on the Department's website.

Very truly yours,

Kathleen H. Burgess
