CASE 16-G-0061 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Consolidated Edison Company of New York, Inc. for Gas Service.

RULING ON SCHEDULE

(Issued September 28, 2016)

DAKIN D. LECAKES and BEN WILES, Administrative Law Judges:

On September 20, 2016, Staff of the Department of Public Service filed with the Secretary a Joint Proposal signed and sponsored, in whole or in part, by several parties to these proceedings. A procedural conference in these proceedings was held on September 21, 2016, at which a variety of procedural matters were discussed, including a further schedule for considering the Joint Proposal. In advance of the conference, the Utility Intervention Unit of the Department of State (UIU) circulated a proposed schedule. At the conference other parties recommended schedules differing slightly from that proposed by UIU.

Upon consideration, we adopt that schedule as follows:

October 13, 2016	Statements, Testimony and Exhibits in Support and Opposition
October 21, 2016	Reply Statements and Rebuttal Testimony and Exhibits
November 2, 2016	Start of Evidentiary Hearings

A ruling on post-hearing submissions, including the need for such, will be made at the conclusion of the evidentiary hearing.
