This Agreement specifically gives Grantee the right to provide Cable Service via the Cable System within the Franchise Area.
- 3.2 Authority for Use of Streets.
- A. For the purpose of operating, maintaining, and constructing a Cable System in the Franchise Area, Grantee may erect, install, construct, repair, replace, relocate, reconstruct and retain in, on, over, under, upon, across and along the Streets within the Franchise Area such lines, cables, conductors, poles, ducts, conduits, vaults, manholes, amplifiers, appliances, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of the Cable System.

- 3.4 Franchise Term. The terms of this Franchise are subject to the approval of the NYPSC. Therefore, the Franchise shall commence on the date of approval by the NYPSC ("Effective Date") and shall expire fifteen (15) years thereafter unless renewed, revoked or terminated sooner as herein provided. Grantor reserves the right to adopt in addition to the provisions contained herein and existing applicable ordinances, such additional regulations as it shall find necessary in the exercise of its police powers; provided, however, that such regulations are reasonable, not materially in conflict with the privileges granted herein and consistent with all federal and state laws, rules, regulations and orders.

3.8 Franchise Non-Exclusive.

- A. The Franchise granted herein is non-exclusive. The Grantor specifically reserves the right to grant, at any time, additional franchises for a cable television system in accordance with state and federal law. The Grantor agrees that any grant of additional franchises by the Grantor to any other entity to provide cable or video service shall not be on terms and conditions that when taken as a whole are more favorable or less burdensome to the franchisee of any such additional franchise, than those which are set forth herein.

- B. If the Grantor grants a cable television franchise or other right to provide cable service to another person on terms which overall provide greater benefits or impose lesser burdens than provided herein, the Grantee agrees to amend this Franchise (effective upon the grant to said other person) to overall provide such greater benefits or lesser burdens.
- C. (i) Grantee agrees that it will not move, damage, penetrate, replace or interrupt any portion of the Cable Television System of another franchisee without the prior written consent of such other franchisee. Grantee shall indemnify such other franchisee against any damages or expenses incurred by such other franchisee as a result of any removal, damage, penetration, replacement or interruption of the services of such other franchisee caused by the Grantee.
- (ii) In the event Grantor grants to any other Person (being referred to as "Other Person" in the below quoted paragraph) a franchise, consent or other right to occupy or use the Streets, or any part thereof, for the construction, operation or maintenance of all or part of a cable television system or any similar system or technology, the Grantor shall include the following language or language to similar effect into any such franchise, consent or other document and/or promptly pass a resolution, conditioning the use of the Streets or any part thereof by any such Person, as follows:
- "Other Person agrees that it will not move, damage, penetrate, replace or interrupt any portion of the Cable Television System of another franchisee without the prior written consent of such other franchisee. Other Person shall indemnify such other franchisee against any damages or expenses incurred by such other franchisee as a result of any removal, damage, penetration, replacement or interruption of the services of such other franchisee caused by the Other Person."

- D. Notwithstanding any other provision in this Franchise: In the event any change to state or federal law occurring during the term of this Franchise eliminates the requirement for any person desiring to construct, operate or maintain a cable system in the Franchise Area to obtain a franchise from the Grantor for the construction, operation or maintenance of a cable system, then, Grantee shall have the right to terminate this Franchise and operate the system under the terms and conditions established in applicable law. If Grantee chooses to terminate this Franchise pursuant to this provision, this Franchise shall be deemed to have expired by its terms on the effective date of any such change in law, whether or not such law allows existing franchise agreements to continue until the date of expiration provided in any existing franchise. Grantee shall not abandon cable service in any portion of the Franchise Area without Grantor's consent and shall remain subject to all applicable laws and regulations with respect to abandonment of service including those of the NYPSC. Furthermore, in the event any change to state or federal law occurring during the term of this Franchise materially alters the regime of cable franchising applicable to any persons desiring to construct, operate or maintain a cable system in the Franchise Area in a way that reduces the regulatory or economic burdens for such person, then, at Grantee's request, Grantor shall agree with Grantee to amend this Franchise to similarly reduce the regulatory or economic burdens on Grantee. It is the intent of this section that, at Grantee's election, Grantee shall be subject to no more burdensome regulation or provided lesser benefits under this Franchise than any other persons that might construct, operate or maintain a cable system in the Franchise Area. To the extent any acts pursuant to this section, including Grantee's choice to terminate this Franchise, result in an amendment to the Franchise, any such amendment shall be subject to such approval by the NYPSC as required by law and regulation.

- 3.9 Continuing Administration. The Mayor of the Town of Theresa is responsible for the continuing administration of the Franchise.

SECTION 4. TECHNICAL STANDARDS

- 4.1 Technical Standards. The Cable System shall be designed, constructed, and operated so as to meet the technical standards promulgated by the FCC relating to Cable Communications Systems contained in part 76 of the FCC's rules and regulations, as may be amended from time to time. The Grantor may, upon written request, witness tests of the Cable System being conducted pursuant to FCC rules and regulations, and the results of those tests shall be made available to the Grantor free of charge within thirty (30) days of completion of the tests if the Grantor requests them in writing.

The Grantor shall indemnify, save and hold Grantee harmless from and against any liability resulting from the Grantor's use of the PEG Channels for municipal access.

SECTION 6. CONSTRUCTION PROVISIONS

 - E. Grantee shall at all times employ reasonable care and shall install and maintain in use commonly accepted methods and devices preventing failures and accidents which are likely to cause damage, injury or nuisance to the public.
 - F. Grantee has constructed a hybrid fiber/coax cable system capable of providing a minimum capacity of 78 channels. Grantee shall maintain the system at the same or enhanced level during the term of the franchise.

6.2 Construction Codes.

- A. Any and all Streets, municipal property, or private property, which are destroyed or damaged by Grantee during the construction, repair, replacement, relocation, operation, maintenance or reconstruction of the Cable System shall be promptly replaced or repaired by Grantee, at its expense, and restored to a serviceable condition as good as that prevailing prior to Grantee's disturbance of, or damage to, the property. If Grantee fails to repair, replace, or otherwise correct a Street or property following reasonable written notice by the Grantor, the Grantor may complete any repair, replacement, restoration or other correction and invoice Grantee for the same.

6.4 Use of Existing Poles.

- A. Poles may be erected by Grantee subject to any generally applicable regulation by Grantor with regard to location, height, type, and any other pertinent aspect. It is the responsibility of Grantee to secure agreements for use of poles or conduits owned by third parties.
- B. Where poles already existing for use in serving the Franchise Area are available for use by Grantee, but it does not make arrangements for such use, the Grantor may require Grantee to use such poles if it determines that the public convenience would be enhanced thereby, and if the Grantee can obtain such use on reasonable terms and conditions and at less cost to Grantee than erecting its own poles. No term or condition shall be reasonable if not consistent with pole attachments rates and conditions established by the FCC and/or NYPSC.

6.5 Undergrounding of Cable.

- A. Cable shall be installed underground where the existing telephone and electrical utilities are already underground. In the event the Grantor reimburses any utility for undergrounding, Grantee shall be similarly reimbursed.

6.6 Reservation of Street Rights.

- A. Nothing in this Agreement shall be construed to prevent the Grantor from constructing, maintaining, repairing or relocating sewers; grading, paving, maintaining, repairing, relocating and/or altering any Street; constructing, laying down, repairing, maintaining or relocating any water mains; or constructing, maintaining, relocating, or repairing any sidewalk or other public work.
- B. All such work shall be done, insofar as practicable in such a manner as not to obstruct, injure or prevent the free use and operation of the poles, wires, conduits, conductors, pipes or appurtenances of Grantee.
- C. If any such property of Grantee shall interfere with the construction or relocation, maintenance or repair of any Street or public improvement, whether it be construction, repair, maintenance, removal or relocation of a sewer, public sidewalk, or water main, Street or any other public improvement, at least thirty (30) days written notice shall be given to Grantee by the Grantor and all such poles, wires, conduits or other appliances and facilities shall be removed or replaced by Grantee in such manner as shall be directed by the Grantor so that the same shall not interfere with the said public work of the Grantor, as reasonably determined by the Grantor and such removal or replacement shall be at the expense of Grantee, provided, however, if any other right-of-way user is compensated for such work by the Grantor, then Grantee shall be similarly compensated.
- D. Nothing contained in this Agreement shall relieve any Person from liability arising out of the failure to exercise reasonable care to avoid damaging Grantee's facilities while performing any work connected with grading, re-grading, or changing the line of any Street or public place or with the construction or reconstruction of any sewer or water system or with any other work.

6.7 Trimming of Trees. Grantee shall have the authority to trim trees, in accordance with all generally applicable utility restrictions, ordinance and easement restrictions, upon and hanging over Streets, alleys, sidewalks, and public places of the Grantor so as to prevent the branches of such trees from interfering with the Cable System.

- 6.9 Movement of Facilities. In the event it is necessary temporarily to move or remove any of Grantee's wires, cables, poles, or other facilities placed pursuant to this Agreement, in order to lawfully move a large object, vehicle, building or other structure over the Streets of the Franchise Area, upon two (2) weeks written notice by the Grantor to Grantee, Grantee shall move, such of its facilities as may be required to facilitate such movements. The Person requesting the temporary removal shall pay Grantee in advance the costs Grantee incurs in moving its facilities. Any service disruption provisions of this Agreement shall not apply in the event that the removal of Grantee's wires, cables, poles or other facilities pursuant to this Section results in temporary service disruptions.

SECTION 7. REPORTING PROVISIONS

- 7.1 Audit and Inspection. The Grantor, its agents and its representatives shall have the authority, during normal business hours, to arrange for and conduct an inspection of the books, records, maps, plans, financial statements and other like materials of Grantee where such inspection is necessary to ascertain Grantee's compliance with the material terms of this Franchise. In the event that Grantor believes at any time that it is required by law to disclose such information to a third party, Grantor will so notify Grantee at a time prior to any such disclosure that affords Grantee a reasonable opportunity to take such action as it deems necessary to prevent such disclosure, including seeking relief in court.

- C. No acceptance of any payment shall be construed as an accord that the amount paid is in fact the correct amount, nor shall such acceptance of payment be construed as a release of any claim the Grantor may have for further or additional sums payable under the provisions of this Agreement. All amounts paid shall be subject to audit and recomputation by the Grantor.
- D. No auditor engaged by the Grantor shall be compensated on a success based formula, e.g., payment based on a percentage of an underpayment, if any.

If a violation is found, Grantee may petition for reconsideration.
- D. If after hearing the dispute, the claim of non-compliance is upheld by the Grantor, then Grantee shall have sixty (60) days from the date of receipt of Grantor's written decision within which to remedy the violation.

- E. The time for Grantee to correct any alleged violation shall be extended by the Grantor if the necessary action to correct the alleged violation is of such a nature or character as to require more than sixty (60) days within which to perform, provided Grantee commences corrective action and thereafter exercises due diligence to correct the violation.
- F. In the event that Grantee fails to remedy the violation within the time frame set herein, Grantor may revoke the Franchise by vote of its governing body after a public hearing of which Grantee has been given at least two weeks notice and at which Grantee shall have the right to be heard; to subpoena and examine witnesses; and cross-examine any other witnesses. Grantor shall state in writing the basis for any decision to revoke the Franchise. Any revocation hereunder is subject to appeal by Grantee in a court of competent jurisdiction.

At the termination of the Franchise Term if renewal has been finally denied in accordance with Federal law, or upon revocation of the Franchise, as provided for herein, the Grantor shall have the right to require Grantee to remove, at Grantee's expense, all or any portion of the Cable System from Streets and Public Property within the Franchise Area. In so removing the Cable System, Grantee shall refill and compact at its own expense any excavation that shall be made and shall leave all Streets, Public Property and private property in as good a condition as that prevailing prior to Grantee's removal of the Cable System, and without affecting, altering or disturbing in anyway electric, telephone or utility, cables wires or attachments.
