Case 23-G-0437 - In the Matter of a Review of the Long-Term Gas System Plan of New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation

NOTICE EXTENDING REPLY COMMENT DEADLINE

(Issued December 29, 2023)

By letter filed December 19, 2023, New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation (collectively, the Companies), requested an extension of the reply comment period that was established in the *Notice of Technical Conference and Establishing Comment Deadlines* (October 6 Notice), issued October 6, 2023, in this proceeding. Reply comments are currently due January 5, 2024. Citing both the number of comments filed, as well as the key substantive matters raised in the comments received, the Companies state that an extension will afford them additional time to complete their assessment of the recommendations and to provide thorough and thoughtful responses.

**PLEASE TAKE NOTICE** that the date established in the October 6 Notice for submitting reply comments is hereby extended until **January 19, 2024**. Please refer to the October 6 Notice for pertinent filing and contact information.
