Re: Customer Migration Data – Request of Central Hudson Gas & Electric Corporation
for Trade Secret Status pursuant to 16 NYCRR § 6-1.3.
Case 93-G-0932

Dear Ms. Magnis:

Enclosed with this letter are the following unredacted reports:

- Customer Migration detailing the numbers and volumes for the energy suppliers (ESCOs) on the Central Hudson Gas & Electric Corporation (Central Hudson) system for the month of September 2025.
- Monthly Gas Data Reported by LDCs for July-September 2025.

The information in the Customer Migration report, if made available publicly, would likely cause substantial injury to the competitive positions of the ESCOs listed herein. Additionally, the information provided in the Monthly Gas Data Reported by LDCs report is forward looking and could impact Central Hudson's each ESCO's procurement of gas supply, ultimately impacting end-use customers. As a result, Central Hudson respectfully requests that the information in the attached documents be treated by the Public Service Commission (Commission) and the Department of Public Service as trade secret information and confidential commercial information pursuant to Public Officers Law Sections 87(2) and 89(2), and the Commission's implementing regulation, 16 NYCRR § 6-1.3. Accordingly, Central Hudson requests that the attached unredacted documents be afforded all of the protections against public disclosure available for such information, as provided by law.

Please contact me at 845-486-5299 or SEljamal@cenhud.com if you have any questions regarding this request. Thank you.

Respectfully submitted,
