

STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION

CASE 23-G-0676 - In the Matter of a Review of the Long-Term Gas System Plans of Central Hudson Gas & Electric Corporation.

NOTICE FURTHER EXTENDING COMMENT PERIOD

(Issued August 26, 2024)

On July 11, 2024, a Notice Extending Comment Period (Notice) was issued in this proceeding. The Notice requested the submission of comments on Central Hudson Gas & Electric Corporation's revised long-term plan by August 23, 2024.

In a letter filed on August 5, 2024, Alliance for a Green Economy (AGREE), a stakeholder in this proceeding, requested a further extension of the August 23, 2024 comment date. AGREE asserts that the utility's July 26, 2024 filing of a revised plan warrants an extension of the comment due date. AGREE states that adjusting the deadline will allow stakeholders additional time to review the revised plan and the independent consultant's report, and provide thorough comments on the utility's revised long-term plan.

**PLEASE TAKE NOTICE** that comments from stakeholders and other interested entities on Central Hudson Gas & Electric Corporation's revised long-term plan are requested by October 2, 2024. Please refer to the Notice Establishing Comment Deadline, issued on June 28, 2024, in this proceeding, for pertinent filing and contact information.
