

Good afternoon Katherine & Donna,

We are confirming receipt of the attached Certified Return Receipt mail from the Department of Public Service in regards to Verizon FiOS inspection request for 5601 Riverdale Avenue, Bronx, New York, Matter No. 14-02292.

Please be advised that the Board of Directors of the above referenced Corporative had previously requested a meeting with the representatives of Verizon FiOS, and are very much willing to allow access as stated in the letter and petition.

Kindly be advised that the Board of Directors would like to schedule a meeting with reps from Verizon and would like to coordinate this meeting at their upcoming Board Meeting scheduled for February 24th.

Any questions or concerns can be forward to all copied on this communication or contact the undersigned.

Best regards,

Susan Pryce
