Re: Case 14-M-0224 - Proceeding on Motion of the Commission to Enable
Community Choice Aggregation Programs.

Dear Mr. Dwyer:

I received your letter dated April 17, 2023, on behalf of the Department of Public Service staff (Staff), requesting an extension until May 19, 2023, to comply with the directives set forth in Ordering Clauses 7 and 8 of the Commission's *Order Modifying Community Choice Aggregation Programs and Establishing Further Process* (Order), issued January 19, 2023, in the above proceeding.

Ordering Clauses 7 and 8 direct Staff to, among other things, file proposed standards related to requests for proposals and energy service agreements developed in connection with a community choice aggregation (CCA) program, and to file proposed changes to the CCA outreach and education requirements. The filings are due April 19, 2023. You state that Staff is continuing to develop its recommendations, but needs additional time to prepare and file the CCA proposals that comply with the Commission's directives.

Based upon the information you have provided, an extension is granted until May 19, 2023, to Staff to file the CCA proposals required by Ordering Clauses 7 and 8 of the Order. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.
