CASE 26-V-0068 - Petition of Spectrum Northeast, LLC for
Approval of the Renewal of its Franchise with
the Town of Middlefield, Otsego County.

ORDER APPROVING RENEWAL

(Issued and Effective April 24, 2026)

BY THE COMMISSION:

INTRODUCTION

By petition filed on January 30, 2026, and
supplemented on February 17, 2026, Spectrum Northeast, LLC d/b/a
Charter Communications, Inc. applied for approval of the renewal
of its cable television franchise with the Town of Middlefield,
Otsego County (Town). The Town authorized renewal of the
franchise by Resolution, certified December 9, 2025, after a
duly noticed public hearing held on the same date. The term of
the renewal is ten years, beginning on the date that this Order
is issued and effective.

The franchise renewal will serve the public interest
because it continues the availability of cable service in the
community. It is approved, subject to compliance with and

governed by the obligations, requirements and standards in federal and state laws, rules, regulations, and orders.

LEGAL AUTHORITY

No renewal of a franchise is effective without the approval of the Commission (Public Service Law (PSL) §222). Failure to conform to franchise standards established in Commission regulations does not preclude Commission approval, if the Commission finds that approval of the franchise renewal would serve the public interest; and, the Commission may approve the application contingent upon compliance with the statutory and regulatory standards, terms, or conditions which are not met by the proposed franchise renewal (PSL §222(3) and (4)). Commission regulations (16 NYCRR §891.2 and Part 895) require an application for renewal to conform to minimum standards for required contents of franchises and set forth procedural requirements for municipal review of the franchise renewal, including public notice, opportunity for comment and a public hearing.

DISCUSSION

The Commission determines that approval of the franchise renewal serves the public interest, as it results in the effective provision of cable service in the municipality. The franchise renewal may omit certain required provisions or contain provisions that may conflict with statutory and regulatory requirements. This Order does not identify and describe each specific omission and conflict because the principles and standards established in the laws and rules apply to cable renewals, whether specifically identified in Commission orders, and a franchise agreement may not overrule, modify, or amend these minimum requirements.

Therefore, approval of the franchise renewal is conditional upon full compliance at a minimum with these requirements, whether the provisions in this franchise agreement specifically state or conflict with these requirements. Any franchise provision required in the Commission's rules that is omitted from the franchise agreement is added to and incorporated in the franchise agreement by reference; and, any federal or state law, rule, regulation and order, as amended, shall control the interpretation of and performance under this franchise renewal to the extent that any franchise provision does not meet the requirements in the Commission's rules or conflicts with or is inconsistent with federal and state laws, rules, regulations and orders.

The franchise renewal agreement may contain additional provisions that are not required by the Commission's rules. Approval of these provisions is granted to the extent that they pertain to the provision of cable service and are, and remain, consistent with PSL Article 11, or regulations, policies and orders and applicable federal statutes and regulations. In the event of an ambiguity in any such provision or among separate provisions, the provision or provisions will be construed in the manner most favorable to the franchisor.

The Commission orders:

1. The application of Spectrum Northeast, LLC d/b/a Charter Communications, Inc. for renewal of its cable television franchise to provide cable television service in the Town of Middlefield, Otsego County, is approved, subject to the conditions set forth in this Order. The term of the renewal shall expire in ten years, beginning on the date this Order is issued and effective.

2. This Order does not in any way confer rights or privileges other than those granted in the underlying franchise; and, the certificate holder remains subject to the obligations imposed by Public Service Law Article 11, the underlying franchise and all applicable rules, regulations, and orders of this Commission.

3. This proceeding is closed.

By the Commission,
