Re: Case 23-M-0106 – In the Matter of Commission Registration of Energy Brokers and Energy Consultants Pursuant to Public Service Law Section 66-t.

Case 15-M-0180 – In the Matter of Regulation and Oversight of Distributed Energy Resource Providers and Products.

Case 98-M-1343 – In the Matter of Retail Access Business Rules.

Dear Kelly O'Donovan:

I received your letter dated October 22, 2026, filed on behalf of the New York State Department of Public Service staff, requesting an extension of time to comply with the directives set forth in Ordering Clause 9 of the Commission's *Order Adopting Energy Broker and Consultant Financial Assurance Requirements* (Order), issued January 28, 2026, in the above-referenced proceedings. Ordering Clause 9 directs staff to review, by November 2, 2026, certain standby letters of credit or surety bonds, as discussed in the Order.

You state that due to the volume of standby letters of credit and surety bonds that have been submitted, additional time is needed to complete this review. Therefore, you are requesting an extension until December 31, 2026, to comply with the directives set forth in Ordering Clause 9.

Based upon the information provided, an extension until December 31, 2026, is granted to the New York State Department of Public Service staff to comply with the directives set forth in Ordering Clause 9 of the Order. This extension is granted to promote the fair, orderly, and efficient conduct of this proceeding, and this ruling will be posted on the Department's website.

Very truly yours,
