Email: Frank Sciortino frank.sciortino@nationalgrid.com Phone: (315) 447-8095
Mailing Address: Street: 300 Erie Blvd. West City: Syracuse State: NY Zip: 13202
Project Location (from Joint Application Form): Village of Angola, Town of Evans, Town of Hamburg, Village of Blasdell, City of Lackawanna, Town of West Seneca, Erie County
Town (where property taxes paid): See above County: Erie
Street Address: N/A City: See above State: NY Zip:

To comply with federal requirements at 40 CFR §121.5(b) for New York State Section 401 Water Quality Certification, all items below must be completed and the applicant must sign page 2 of this form.
1. By signing this form, the applicant affirms that the project proponent(s) and a point of contact were accurately identified in the Joint Application for Permit provided with this supplement.
2. By signing this form, the applicant affirms that the proposed project is accurately and completely identified in the Joint Application for Permit provided with this supplement, and in any supporting plans, photos, reports or other project information.
3. Identify here the applicable federal license or permit for this request: NWP 57
If this request relates to a Section 404 Nationwide Permit administered by the US Army Corps of Engineers, please identify the appropriate Nationwide Permit number(s): NWP 57
4. Please identify the location and nature of any potential discharge that may result from the proposed project and the location of receiving waters (attached additional information as needed): See EM&CP Submittal
5. Please provide a description of any methods and means proposed to monitor the discharge and the equipment or measures planned to treat, control, or manage the discharge (attach additional information as needed): See EM&CP submittal

6.	<p>Please provide a list of all other federal, interstate, tribal, state, territorial, or local agency authorizations required for the proposed project, including all approvals or denials already received:</p> <p>See EM&CP submittal</p>
7.	<p>Please indicate the date a Section 401 Water Quality Certification pre-filing meeting request was submitted to DPS and attach a copy of the request to this form. The pre-filing meeting request must have been made at least 30 days prior to submitting application for Section 401 Water Quality Certification. National Grid conducted a walk-down of the project with DPS staff October 19-21, 2021.</p> <p>Meeting confirmation is attached.</p>
8.	<p>By signing below the applicant is providing the following statement: <i>"The project proponent hereby certifies that all information contained herein is true, accurate, and complete to the best of my knowledge and belief"</i></p>
9.	<p>By signing below the applicant is providing the following statement: <i>"The project proponent hereby requests that the certifying authority review and take action on this CWA 401 certification request within the applicable reasonable period of time."</i></p>

Certification:

In addition to the Joint Application Form provided with this supplement, I hereby submit this form and the attachments indicated to request a Section 401 Water Quality Certification from DPS. The project proponent hereby certifies that all information contained herein is true, accurate, and complete to the best of my knowledge and belief. The project proponent hereby requests that the certifying authority review and take action on this CWA 401 certification request within the applicable reasonable period of time.
