Case 07-M-0548, Proceeding on Motion of the Commission Regarding an Energy Efficiency Portfolio
Standard

Quarterly Report – Quarter ending December 31, 2016

Dear Secretary Burgess:

Attached please find the New York State Energy Research and Development Authority (NYSERDA) On-Bill Recovery Quarterly Report for the quarter ending December 31, 2016. The Green Jobs-Green New York (GJGNY) Act, enacted in October 2009, requires NYSERDA to provide innovative financing mechanisms and a revolving loan fund to support energy efficiency retrofits in residential buildings (1-to-4 unit), small businesses (100 employees or less), not-for-profit facilities, and multifamily buildings (5 units or more). The Power NY Act of 2011, enacted August 4, 2011, authorized NYSERDA to offer loans through the GJGNY program repayable through an installment charge on the customer's electric or gas corporation utility bill.

Pursuant to the April 24, 2012 Public Service Commission *Order Establishing Reporting Requirements Regarding the On-Bill Recovery Program* in Case 12-M-0007, NYSERDA and the applicable utilities are directed to file quarterly reports in the format provided in the Order Appendix. If you have any questions about this report, please contact Deidre Maturo, Representing NYSERDA – Single Family Residential, at 518.862.1090, extension 3121.

Respectfully submitted,

Valerie S. Milonovich
