Interconnection Customer Name

[REDACTED]

Interconnection Location

[REDACTED]

Utility Application Number

The applicant for interconnection listed above, henceforth Interconnection Customer, affirms that it is in compliance with the Public Service Commission's October 19, 2017 Order Establishing Oversight Framework and Uniform Business Practices for Distributed Energy Resource Suppliers (DER Oversight Order) and the associated Uniform Business Practices for Distributed Energy Resource Suppliers (UBP-DERS). The UBP-DERS requires that all Distributed Energy Resource (DER) suppliers offering community distributed generation or on-site distributed generation to mass market customers register with the Commission by filing a [registration form](#) in the Commission's Document and Matter Management System (DMM) in Matter 17-02273 prior to marketing to or serving mass market customers.
