Re: Case 23-M-0106 – In the Matter of Commission Registration of Energy Brokers and Energy Consultants Pursuant to Public Service Law Section 66-t.
Case 15-M-0180 – In the Matter of Regulation and Oversight of Distributed Energy Resource Providers and Products.
Case 98-M-1343 – In the Matter of Retail Access Business Rules.

Dear Secretary Phillips:

On January 1, 2026, the Commission issued its Order Adopting Energy Broker and Consultant Financial Assurance Requirements (Order) in the above captioned proceedings. That Order directed Staff to, by October 31, 2026, review any standby letter of credit or surety bond that was provided before the April 30, 2026, deadline, and any standby letter of credit that was currently held by the Department (Ordering Clause 9). Due to the volume of standby letters of credit and surety bonds that have been submitted, Staff requires additional time to complete this review. Thus, Staff is requesting an extension of the October 31, 2026, deadline for review of standby letters of credit and surety bonds to December 31, 2026.

Please contact the undersigned should you have any questions.

Respectfully Submitted,

/s/
