Re: Matter 25-00002 – Frontier TV Service Program Change Notice

Frontier Communications is providing this information to advise you that we were in good faith negotiations to reach a fair and equitable agreement with AMC Networks. Unfortunately, we were unable to reach a mutual agreement that would bring the best value to our customers. Therefore, we have removed their programming from AMC Ch 119 HD, IFC Ch 797 HD, Sundance TV Ch 798 HD, WE tv Ch 372 HD, BBC America Ch 122 HD and BBC World News Ch 207 HD effective March 31, 2025, at 11:59pm EST. The following will be communicated to video customers:

Set top box on screen message: (starting March 31, 2025) Our contract with AMC Networks, owner of AMC, IFC, WE tv, BBC America, and others expired, and we were unable to reach a new agreement. For other ways to watch these channels, visit Frontier.com/channelupdates.

Bill Message: (April 1 - 30, 2025) Our contract with AMC Networks, owner of AMC, IFC, WE tv, BBC America, and others has expired. We were unable to reach an agreement that would continue to provide value to our customers. Visit Frontier.com/channelupdates for information and other ways to watch.

Sincerely,

Manager, Regulatory
