Re: Revised Company List of Registration Revocations for Non-Payment – Overdue NYS Energy Broker and Consultant Annual Compliance

Case No. 23-M-0106 and Matter Nos. 23-01227 and 25-00092

Dear Secretary Phillips:

Please find below a list of Energy Broker and/or Energy Consultants that were revoked in New York State due to non-payment of the required annual fee. The Public Service Commission's Uniform Business Practices (UBP) Section 11.B.1 requires that all Energy Brokers and/or Energy Consultant pay a fee of \$500.00 at the time of application, as well as annual renewal fee of \$500.00 by August 31st of each year thereafter. The deadline to provide the 2026 annual registration fee was August 31, 2026. All companies that were overdue in making this payment have been notified multiple times by Staff and, as of the date of this letter, failed to submit payment.

The UBP Section 11.H.2.a.iv provides that an Energy Broker and/or Energy Consultant is subject to revocation of its registration if it fails to provide the required annual registration fee. The following Energy Brokers and/or Energy Consultants failed to timely submit this fee and, therefore, their registrations are revoked:
