RE: Colonial Energy Inc. – Revised Eligibility

Dear Mr. Cotter:

Thank you for submitting your attestation pursuant to the Public Service Commission's December 2019 Order Adopting Changes to the Retail Access Energy Market and Establishing Further Process. By submitting the attestation in lieu of a revised application, your company is eligible to serve large commercial and industrial customers only.

Be advised that to maintain your ESCO eligibility, you must notify Staff of any substantive legal, financial, or business-related changes to your company as they occur. If your business plan changes and you decide to expand your service to serve mass-market customers, you must immediately submit the appropriate documentation for Staff review and determination of how it affects your current eligibility.

Please do not hesitate to contact me if you have any further questions or concerns at (518) 474-5858 or Kathleen.oriley@dps.ny.gov.

Sincerely,

A handwritten signature in black ink that reads "Kathleen O'Riley".
