

Master Materials Agreement -Amendment-

Contractor: DiVal Safety Equipment

This Amendment to the Master Materials Procurement Agreement dated March 3 2004 (this "Amendment") is entered into as of March 3 2007 by and between **UTILITY SHARED SERVICES CORPORATION** ("USSC") a Delaware Corporation, with office located at 89 East Avenue, Rochester, New York 14649 and [REDACTED] a corporation with office located at [REDACTED] ("Contractor").

WITNESSETH:

WHEREAS, Energy East Management Corporation ("EEMC") and Supplier are parties to a Master Materials Procurement Agreement (the "Master Agreement");

WHEREAS, USSC has taken over the contractual management responsibilities from EEMC with respect to the Master Agreement

WHEREAS, the Parties desire to enter into this Amendment to reflect the foregoing and to make other changes to the Master Agreement, including, extending the term of the Master Agreement.

NOW THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Any and all references made to Energy East Management Corporation, Energy East, Energy East Corporation or EEMC shall be replaced with Utility Shared Services Corporation or USSC.

General:

Wherever in the Master Agreement "Energy East Management Corporation," "Energy East," "Energy East Corporation" or "EEMC" shall appear, such terms shall be replaced with Utility Shared Services Corporation or USSC.

Term

Section 5.1 of the Master Agreement shall be deleted in its entirety and replaced with the following:

This Agreement shall be extended through [REDACTED] Thereafter, this Agreement shall renew for successive [REDACTED] terms unless terminated by Company in accordance with this Agreement.

Schedule C - GENERAL TERMS AND CONDITIONS:

The following shall be appended to Schedule C of the Master Agreement.

35. Employee Solicitation

During the term of this Agreement and for a period of one (1) year thereafter, except with the prior written consent of USSC, Supplier shall not offer employment to, or employ, any employee of USSC or USSC's current or future affiliates, and Supplier shall not induce or attempt to induce, directly or through an agent or third party, any such employee to leave the employ of USSC or USSC's current or future affiliates. As used herein, the term "affiliate" shall mean any person or entity controlling, controlled by, or under common control with USSC through majority stock or other ownership interest, direct or indirect.

36. No Dispute

Contractor covenants that is not aware of any pending billing dispute or other contractual dispute (pursuant to current contracts or contracts no longer in effect) or any pending or threatened litigation between Supplier and/or any of the Supplier's affiliates and USSC and/or any of USSC's affiliates.

37. Beck's Notice

As part of the Terms and Conditions of this agreement, Contractor will comply with the provisions of 29 CFR part 470 as stated in 8.6 **Executive Order 13201 Compliance** and outlined by the U.S. Department of Labor.

38. Security Requirements.

Contractor shall comply with the RGE & NYSEG Security Requirements in their performance of work under this master agreement.

39. Energy East Code of Conduct

Supplier shall comply with the applicable portions of the Energy East Code of Conduct provided to SUPPLIER in their performance of work under this master agreement. The Code of Conduct is available at www.energyeast.com.

Schedule D – PRICING TERMS

The following shall be appended to Schedule D of the Master Agreement.

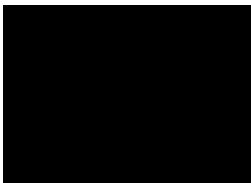

ANNUAL REBATE PROGRAM:

Spend

Rebate%

A Rebate will be offered [REDACTED] of this agreement based on the [REDACTED] sales for the USSC and Customer Affiliates. A rebate is guaranteed [REDACTED] through the remainder of this agreement.

1. Prices are firm through [REDACTED] Both parties reserve the right to review and amend item pricing [REDACTED] These items will be modified when mutually agreeable to both parties.
2. USSC account must remain current with contract payment terms to be eligible for the rebate.
3. The rebate will be paid within the later of [REDACTED] of contract anniversary date or as soon as the USSC account is made current.
4. Early termination of this contract, for any reason, nullifies all eligibility for rebates.
5. Contractor will assist the USSC in identifying regularly purchased items, standardize and stock based on past purchased history.

Schedule E – Purchase Order

The following shall replace Schedule E in its entirety.

Performance Measures:

Contractor will provide a customized supply catalog, which includes and identifies items listed in Schedule D along with a separate contracted price sheet. Additional items included in the catalog will be those items stocked by Contractor and available for delivery within 48 hours. The catalog will be revised annually. Expected completion date – [REDACTED]

Contractor to implement an online ordering catalog and provide documented updates at the end of [REDACTED]
Expected completion date – [REDACTED]

Contractor will provide a spreadsheet containing catalog items with contracted pricing quarterly to begin April 1 2007.

Based on historical requests made through USSC and its Affiliates, Contractor will provide a list of item categories with lead-times greater than 48 hours. This item list should also include items that Contractor has indicated they're not competitive on. Expected completion date – [REDACTED]

Contractor to provide [REDACTED] a list of items that are strong candidates for standardization with documented savings potential based on past usage. Expected implementation date – April 23 2007.

Each quarter, Contractor will provide "environmentally free" recommendations for purchased items based on research and acceptance by the OPCO's. Expected implementation date – May 15 2007.

Contractor will provide a documented process for addressing payment delays including itemized spreadsheets listing invoice number, invoice date and the anticipated dollar value. The list will be updated and provided monthly for review and resolution directly to the USSC Buyer. April 15 2007

PERFORMANCE MONITORING

COMPANY will monitor CONTRACTOR'S performance under this master agreement. If performance does not meet the COMPANY'S requirements and/or less than desirable, a Supplier Corrective Action Request (SCAR) will be issued to the CONTRACTOR. The SCAR will specifically state the problem and require a written corrective action response from the CONTRACTOR. Performance that is less than desirable may potentially eliminate the CONTRACTOR from bidding on future projects.

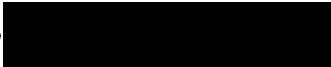

Schedule F – NOTICES

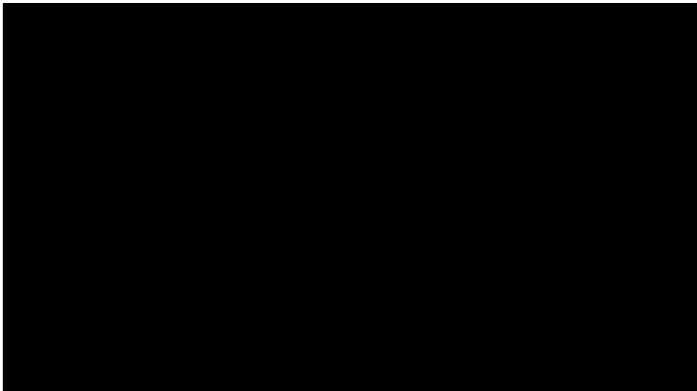

The following shall replace Schedule F in its entirety.

Along with all other correspondence requirements included in this Agreement, any notice, request, approval or other document required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been sufficiently given when delivered in person or deposited in the U.S. Mail, postage prepaid, addressed as specified herein or to such other address or addresses as may be specified from time to time in a written notice given by such party. The parties shall acknowledge in writing the receipt of any such notice delivered in person.

All communications to Utility Shared Services Corporation shall be directed to:

Contract Administration
89 East Avenue
Rochester, NY 14526
Phone 585-724-8028
Fax 585-771-2820

All communications to  shall be directed to:

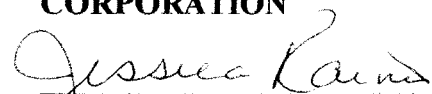

Except as expressly amended by this Amendment, the Master Agreement shall remain unchanged and in full force and effect and the Parties hereby ratify and confirm the Master Agreement and each of its obligations. Any conflict between the Master Agreement and this Amendment shall be resolved in favor of this Amendment. This Amendment shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts and to be performed in such state, without regard to conflict of laws principles. This Amendment is signed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, USSC and Contractor have each caused this Amendment to be signed as delivered by its duly authorized officers as of the date first given above.

Requested and Authorized by:

**UTILITY SHARED SERVICES
CORPORATION**
