

STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION

CASE 19-E-0283 - Proceeding on Motion of the Commission to  
Examine Utilities' Marginal Cost of Service  
Studies.

NOTICE ANNOUNCING TECHNICAL CONFERENCE  
AND SOLICITING COMMENTS

(Issued November 15, 2023)

On March 27, 2023, Department of Public Service staff (DPS staff) filed a Whitepaper Regarding Marginal Cost of Service Studies (Whitepaper) in the above-captioned proceeding. The Whitepaper makes various recommendations for the preparation of Marginal Cost of Service (MCOS) studies by Central Hudson Gas & Electric Corporation, Consolidated Edison Company of New York, Inc., New York State Electric & Gas Corporation, Niagara Mohawk Power Corporation d/b/a National Grid, Orange and Rockland Utilities, Inc., and Rochester Gas and Electric Corporation (collectively, the Joint Utilities). These MCOS studies would be used to, among other things, calculate the Locational System Relief Value (LSRV) and the Demand Reduction Value (DRV) elements of the Public Service Commission's Value of Distributed Energy Resources Value Stack Compensation, addressed under Case 15-E-0751. On July 20, 2023, and August 18, 2023, parties to this proceeding filed comments and reply comments, respectively, on the proposals put forth in the Whitepaper.

**PLEASE TAKE NOTICE** that a virtual technical conference will be held on November 28, 2023, beginning at 10:00 a.m. The conference will provide an opportunity for DPS staff and interested parties to engage with the Joint Utilities regarding the proposal made by the Joint Utilities for the first time in their initial comments. The Joint Utilities will provide

further explanation of their proposal to use a deferral value approach for MCOS in LSRV areas and for Non-wires Solution areas. The Joint Utilities propose to use the traditional MCOS studies for territory-wide programs and the DRV.

To help ensure efficient use of stakeholder time, interested entities are encouraged to email questions, in advance, to Richard Schuler at Richard.Schuler@dps.ny.gov by Tuesday, November 21, 2023. Please put "MCOS Questions" in the subject line of the email. Interested entities may also ask questions during the technical conference by submitting those questions, at that time, through the WebEx Q&A feature. The conference will be conducted via WebEx and may be accessed using the following:

**PLEASE TAKE FURTHER NOTICE** that interested entities are invited to submit initial comments on the Joint Utilities' Proposal by January 16, 2024, and reply comments by February 6, 2024. Comments should be submitted electronically, by going to [www.dps.ny.gov](http://www.dps.ny.gov), clicking on "File Search" (located under the heading "Commission Files"), entering "19-E-0283" in the "Search by Case Number" field, and then clicking on the "Post Comments"

box located at the top of the page. Those unable to file electronically may mail their comments to the Hon. Michelle L. Phillips, Secretary, New York State Public Service Commission, Three Empire State Plaza, Albany, New York, 12223-1350.<sup>1</sup> All comments received will be posted to the Department's website and will be part of the case record.

Questions regarding this Notice should be directed to Richard Schuler at Richard.Schuler@dps.ny.gov.

(SIGNED)

MICHELLE L. PHILLIPS  
Secretary
