RE: Case 18-E-0138—Proceeding on The Motion of the Commission Regarding Electric Vehicle Supply Equipment and Infrastructure

Dear Secretary Phillips,

Vrinda is happy to have the opportunity to provide comments responding to the Department of Public Service Staff Whitepaper Regarding Electric Vehicle Supply Equipment and Infrastructure Deployment (Staff EVSE&I Whitepaper) filed on January 13, 2020, in the above-captioned proceeding.

Vrinda is a New York-based boutique international strategy implementation firm helping clients deploy innovative business models to harness the full potential of emerging technologies. We leverage deep expertise in the clean energy and utility industry to ensure success in all our work, and we understand that the electrification of transportation must be accelerated for New York to meet its EV adoption and emission reduction goals.

Vrinda would like to acknowledge the importance of a state-wide Make-Ready EVSE&I Program. We have included our responses for review in the following documents to 17 questions included in the NOTICE SOLICITING COMMENTS, along with additional insights on the Staff EVSE&I Whitepaper.

Regards,

Navneet Trivedi
