NOTICE EXTENDING DEADLINE TO FILE COMMENTS

(Issued December 23, 2015)

On December 18, 2015, Consolidated Edison Company of New York, Inc. ("Con Edison"), Orange and Rockland Utilities, Inc. ("O&R"), Central Hudson Gas & Electric Corporation ("Central Hudson"), National Fuel Gas Distribution Corporation ("National Fuel"), The Brooklyn Union Gas Company d/b/a National Grid NY ("KEDNY"), KeySpan Gas East Corporation d/b/a National Grid ("KEDLI"), and Niagara Mohawk Power Corporation d/b/a National Grid ("Niagara Mohawk"), New York State Electric & Gas Corporation ("NYSEG") and Rochester Gas and Electric Corporation ("RG&E")(together, the "Joint Utilities") requested an extension of the deadline to submit comments in response to the *Notice of Technical Conference Regarding Customer and Aggregated Energy Data Provisions and Related Issues*, issued November 3, 2015. The December 16, 2015 technical conference (Technical Conference) identified discussion topics and invited presentations on which stakeholders would have an opportunity to review and comment. The deadline to submit comments is December 30, 2015.

The requestors state that transcript of the technical conference has not yet been published, therefore, stakeholders

have not had an opportunity to review the full record of comments or presentations, and due to the holidays and year end activities, it will be difficult to prepare comments prior to the December 30, 2015 deadline.

This is to advise that I am granting an extension to all parties to January 13, 2016 to file comments. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.
