

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 98-M-0667 - In the Matter of Electronic Data Interchange.

NOTICE OF CORRECTION

(Issued April 16, 2002)

On November 8, 2001, the Commission issued an order in this proceeding entitled "Order Approving EDI Test Plans and Data Standards." In the order, the Commission approved an EDI Implementation Guide for the 814 Change Data Standard (contained in Supplement C). By this Notice the parties are advised of a correction to the Implementation Guide. On pages two (Table of Contents) and forty-nine (Use Time of Day) the "Max Use" for the REF*TU segment should be ">1" rather than the "1" that was originally stated. A revised Implementation Guide for the 814 Change Transaction may be obtained electronically from the New York Public Service Commission web site at <http://www.dps.state.ny.us/98m0667.htm>.
