RE: Case 25-M-0249 – In the Matter of the 2026-2030 Low- to Moderate- Income Energy Efficiency and Building Electrification Portfolio.

Dear Secretary Phillips:

Pursuant to the May 15, 2025 Order Authorizing Low- to Moderate- Income Energy Efficiency and Building Electrification Portfolio for 2026-2030 (“LMI Order”)¹, the Public Service Commission (“Commission”) directed the New York State Research and Development Authority (“NYSERDA”) and the Joint Utilities² (together, “Program Administrators”) to file for Department of Public Service Staff (“DPS Staff”) review and approval an LMI Customer Referral Plan (“CRP” or “Plan”). The Program Administrators filed the Plan on August 22, 2025.³ On June 18, 2026, DPS Staff filed a compliance letter (“CRP Compliance Letter”) directing the Program Administrators to file an update to the CRP within 45 days of the filing date (August 3, 2026).⁴

The Program Administrators request an extension for this filing until September 3, 2026. The additional 30 days will allow the Program Administrators to advance the necessary work to develop and submit a comprehensive revised CRP.

The Program Administrators appreciate your consideration of this request and are available to discuss any questions or provide further information as needed.

If you have any questions regarding this filing, please contact Brandon.Dyer@nyserda.ny.gov.

Sincerely,

Valerie Milonovich
Deputy General Counsel
