Re: Case 18-E-0138 – Proceeding on Motion of the Commission Regarding  
Electric Vehicle Supply Equipment and Infrastructure.

Dear Valerie Milonovich:

I received your letter, filed December 15, 2023, on behalf of the New York State Energy Research and Development Authority (NYSERDA), requesting an extension of time to comply with the directives set forth in Ordering Clause 14 of the Commission's *Order Approving Midpoint Review Whitepaper's Recommendations with Modifications* (Order), issued November 16, 2023, in the above-referenced proceeding. The filing was due on December 18, 2023.

You note that Ordering Clause 14 directs NYSEDA to update the Appendix of the Bill-As-You-Go Summary to reflect the upstate micro-mobility program. You state that this effort requires additional coordination between NYSEDA and the affected Program Administrators, and therefore, you are requesting additional time to finalize the updated Appendix.

Based upon the information provided, an extension until January 30, 2024, is granted to the New York State Energy Research and Development Authority to update the Appendix of the Bill-As-You-Go Summary as required by the Order. This extension is granted to promote the fair, orderly, and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Very truly yours,

Michelle L. Phillips  
Secretary
