**(f) Type of Business**

Boralex develops, builds, and operates renewable energy power facilities in Canada, France, the United Kingdom, and the United States. A leader in the Canadian market and France's largest independent producer of onshore wind power, Boralex is recognized for its solid experience in optimizing its asset base in four power generation types – wind, hydroelectric, thermal and solar. Boralex ensures sustained growth by leveraging the expertise and diversification developed over 30 years.

Boralex owns and operates approximately 2,455 MW of renewable power plants globally, including seven hydroelectric projects in NYS, and more than a hundred facilities in Canada and France. The Applicant has already been awarded 62 MW of Power Purchase Agreements by Niagara Mohawk Power Corp. in New York State.

**(g) Documents of Formation**

The 120-MW Facility will be owned by Greens Corners Solar LLC. The Certificate of Formation for this entity is included as Appendix 1-A to this Application.
