Re: Case 10-T-0350 - Application of DMP New York, Inc. and Laser Northeast Gathering Company, LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII to Construct a 16 Inch Natural Gas Gathering Pipeline to the Existing Millennium Pipeline in the Town of Windsor, Broome County Approximately 51,857 of Steel Coated Pipeline and a Gas Compressor Station.

This is to advise that I have granted a 45 day extension to William Field Services Company, LLC, on behalf of DMP New York, Inc. and Laser Northeast Gathering Company, LLC, to perform an additional sound survey and submit the results to the Commission. I have directed Kristen Butchko, Williams-Midstream, to distribute this determination to all parties. This ruling will be posted on the Commission's Web site.

Very truly yours,

Jaclyn A. Brillling
