

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 23-M-0106 - In the Matter of Commission Registration of
Energy Brokers and Energy Consultants Pursuant
to Public Service Law Section 66-t.

NOTICE CONCERNING REQUESTS TO EXTEND THE DATE FOR FILING
FINANCIAL ACCOUNTABILITY DEMONSTRATIONS

(Issued May 1, 2026)

In its Order Adopting Energy Broker and Consultant Financial Assurance Requirements, issued January 28, 2026, in this proceeding (Order), the Commission directed energy brokers and energy consultants to demonstrate financial accountability by April 30, 2026. Numerous requests to extend the date for complying with this requirement have been received. Some were submitted by April 27, 2026, as required by Ordering Clause 11, however, several were not.

The financial accountability requirement exists for the protection of customers. Energy brokers and energy consultants were given ample notice of and time to comply with this requirement. In addition, Ordering Clause 11 of the Order states that any request for an extension must be filed at least three days prior to the deadline. In consideration of the foregoing, extension requests that were filed after April 27, 2026, seeking additional time to comply with Ordering Clause 8 of the Order, are denied.

PLEASE TAKE NOTICE that requests filed after April 27, 2026, that are seeking an extension of time to comply with Ordering Clause 8 of the Order, are hereby denied as untimely.
