

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 24-E-0165 - Proceeding on Motion of the Commission
Regarding the Grid of the Future.

NOTICE ANNOUNCING TECHNICAL CONFERENCE

(Issued November 21, 2024)

In its Order Instituting Proceeding, issued on April 18, 2024, in this proceeding, the Public Service Commission directed Department of Public Service staff (Staff) to prepare a Grid Flexibility Study, the purpose of which is "to produce, assess, and report on the present status and future potential for flexible resources in New York's electric system."¹ To address specific topics from the Grid Flexibility Study, Staff will convene a technical conference.

PLEASE TAKE NOTICE that Staff will convene a technical conference, via WebEx, on **December 10, 2024**. The technical conference will start at 12:30 p.m. EST and will conclude by 2:00 p.m. EST. The purpose of this technical conference is to provide an overview of qualitative insights from the Grid Flexibility Study. The overview will include the barriers and solutions to grid flexibility deployment in New York. Time will be reserved to answer questions from meeting attendees on the presented material.

To access the technical conference via WebEx, please go to:
