NOTICE OF VIRTUAL PROCEDURAL AND TECHNICAL CONFERENCES

(Issued January 30, 2024)

**PLEASE TAKE NOTICE** that a virtual procedural conference, followed by a virtual technical conference, will be held before Administrative Law Judges Erika Bergen and Dakin Lecakes on Wednesday, February 14, 2024, by Webex. The procedural conference will begin at 10:30 a.m. and will be followed immediately by the technical conference. These conferences concern the rate requests filed on January 26, 2024, by Orange and Rockland Utilities Company, Inc. (O&R) for electric and gas service.

The principal purposes of the procedural conference are to identify the parties and major issues, discuss a schedule for the proceeding, address issues related to the service of documents and discovery, and to address any other pertinent procedural issues.

A brief technical conference will be presented by O&R's experts and will consist of an overview of the rate case filings. Following the presentation, there will be a limited amount of time for the parties to ask clarifying questions so that they may better understand the scope and nature of the rate filings.
