

STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION

CASE 23-G-0437 - In the Matter of a Review of the Long-Term Gas System Plan of New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation.

NOTICE EXTENDING COMMENT PERIOD

(Issued February 29, 2024)

Pursuant to the Notice Establishing Comment Deadline, issued February 21, 2024, in this proceeding (February 21 Notice), comments on the Revised Long-Term Plan (Revised LTP) of New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation (collectively, the Companies) were requested by March 5, 2024. In a letter filed on February 23, 2024, several stakeholders requested an extension of the comment date. The stakeholders assert that an extension will permit them to provide more meaningful and robust comments that would, among other things, include their review and analysis of a report on the Companies' Revised LTP that is due to be filed by Charles River Associates on March 15, 2024.

**PLEASE TAKE NOTICE** that comments from stakeholders and other interested entities concerning the substance of the Revised LTP are requested by **March 29, 2024**. Please refer to the February 21 Notice for pertinent filing and contact information.
