- (3) An issuer must not limit its design of DC&P or ICFR under paragraph (1)(a) except where the certifying officers would not have a reasonable basis for making the representations in the annual or interim certificates because they do not have sufficient access to a proportionately consolidated entity or variable interest entity, as applicable, to design and evaluate controls, policies and procedures carried out by that entity.
- (4) An issuer must not limit its design of DC&P or ICFR under paragraph (1)(b) except in the case of
 - (a) an annual certificate relating to the financial year in which the issuer acquired the business; and
