

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 15-E-0302 - Proceeding on Motion of the Commission to
Implement a Large-Scale Renewable Energy
Program and Clean Energy Standard.

NOTICE EXTENDING COMMENT DEADLINE

(Issued July 24, 2026)

On May 15, 2026, Department of Public Service staff filed a "White Paper on Clean Energy Zones Program" that explores ways to better coordinate investment in clean generation and transmission in areas of the State experiencing current or planned load growth, or those areas otherwise well-suited for energy infrastructure investments, while streamlining and prioritizing community engagement and collaboration (CEZ White Paper). A Notice Soliciting Comments, issued June 9, 2026, in this proceeding (June Notice), invited the submission of comments on the CEZ White Paper by August 10, 2026.

In a letter filed on July 14, 2026, the City of New York requested an extension of time to file comments on the CEZ White Paper. This extension request is granted and is available to anyone who is interested in filing comments in response to the June Notice.

PLEASE TAKE NOTICE that the deadline for submitting comments on the CEZ White Paper is hereby extended until **October 9, 2026**. Please refer to the June Notice for any additional information, including how to file comments and where to direct questions. As a reminder, please be advised that untimely comments might not be considered by the Commission.

(SIGNED)

MICHELLE L. PHILLIPS
Secretary
