-The changes relate only to gas systems.

*KEDNY and MA Gas being moved to billing system that other NIMO affiliates are already under.

**Deb inquires about business change of ownership. In ownership change/tax ID change/name change, will account numbers need to be updated?
 -NatGrid would require an updated account number.
 - NYSEG/RG&E Pete Foster says updated account number would occur, but POD ID number would remain the same. Confirms a new enrollment would need to occur, but POD ID number would stay the same.

Jim Wade asks if these changes would be added to utility guides. No answer available, so it will be an item on the next meeting agenda.

***Request to have the meeting sent as a calendar invite going forward so as to ensure participants have an adequate reminder of the meeting. Staff/Working Group chairs agree.**
