Re: Case 24-E-0165 – Proceeding on Motion of the Commission Regarding the Grid of the Future.

Dear Stephanie McDermott:

I received your February 24, 2025 letter, on behalf of Department of Public Service staff (DPS staff), requesting additional time to comply with the directives set forth in Ordering Clause 3 of the Commission's *Order Instituting Proceeding* (Order), issued April 18, 2024, in the above-referenced proceeding. An extension until February 28, 2025, was granted on November 8, 2024.

You note that Ordering Clause 3 directed DPS staff to develop and file the first iteration of the Grid of the Future Plan. You advise that DPS staff needs additional time to finalize the filing to ensure compliance with the directives set forth in the Order.

Please be advised that an extension is granted to DPS staff until March 31, 2025, to file the first iteration of the Grid of the Future Plan as required by Ordering Clause 3 of the Order. This extension is granted to promote the fair, orderly, and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Sincerely,

A handwritten signature in black ink that reads "Michelle L. Phillips".
