**RE: REQUEST FOR TRADE SECRET PROTECTION**

---

Dear Records Access Officer:

Just Energy New York Corp (“Just Energy”) respectfully requests that the response to Department of Public Service (“DPS”) Staff’s requests for 2020 voluntary renewable products information (“Response”) be treated by the Public Service Commission (“Commission”) and the DPS as trade secret information and confidential commercial information pursuant to Public Officers Law §§ 87(2) and 89(2), and the Commission’s implementing regulation, 16 NYCRR § 6-1.3. The Response, if made publicly available, would likely cause substantial injury to the competitive positions of Just Energy. Attached are redacted and unredacted versions of the Response. Accordingly, we respectfully request that the unredacted Response be treated as confidential trade secret information and afforded all the protections against public disclosure available for such information, as provided by law. The redacted Response may be used for public disclosure.

Thank you for your assistance in this matter.
