STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 24-T-0446 - Petition of New York Transco LLC and New York Power Authority for a Certificate of Environmental Compatibility and Public Need, Pursuant to Article VII of the New York Public Service Law, to Construct, Operate, and Maintain an Approximately 89.7-Mile Underground Transmission Line through Suffolk, Nassau, Queens, Bronx, and Westchester Counties.

NOTICE EXTENDING COMMENT DEADLINE

(Issued November 9, 2026)

On October 27, 2026, notice was given that (1) on October 26, 2026, New York Transco LLC and New York Power Authority (together, NYT/NYPA) had filed an Application for a Clean Water Act Section 401 Water Quality Certification (Section 401 WQC) in this proceeding, and (2) comments on the Section 401 WQC were due by November 17, 2026. Since then, several requests to extend the comment deadline have been filed, while at least two submissions opposing such requests also have been filed. To promote the fair, orderly, and efficient conduct of this proceeding, the due date for comments on the Section 401 WQC is hereby extended until November 24, 2026.

PLEASE TAKE NOTICE that the date for submitting comments on the Section 401 WQC is extended until **November 24, 2026.** Please refer to the October 27, 2026 Notice Requesting Comments on the Project's Application for Water Quality Certification for instructions on how to submit such comments. Please be advised that untimely comments may not be considered.
