**RE: Case 25-E-0722: In the Matter of December 15, 2025 Electric Emergency
Response Plan Review (2026 Plans)**

Annual testing of Outage Management System

Dear Secretary Phillips:

In accordance with Section 13.1 of its New York Electric Emergency Response Plan approved by the New York State Public Service Commission's March 19, 2026 Order Approving Emergency Response Plans (Issued and Effective March 20, 2026), Niagara Mohawk Power Corporation d/b/a National Grid (the "Company") hereby confirms it conducted its annual test of the Outage Management System ("OMS") and successfully demonstrated sufficient capacity to support 90% of electric customers out of power. A summary of the Company's OMS test is available upon request.

Thank you for your time and attention to this matter. Please contact me if you have any questions regarding this filing.

Sincerely,

/s/ Benjamin Weisel
