September 26, 2019

Dear Parents and Guardians,

We hope the start of the new school year has been a smooth one for both you and your student(s). We are notifying you of some changes within the Watkins Glen Central School District's Transportation standard operating procedure. Due to numbers of students on buses, effective Monday, September 30, 2019, the District will no longer transport students to locations other than:

- Home or other custodial parent home per a pre-arranged schedule
- daycare per a pre-arranged schedule

Transportation for instrumental lessons, riding home with friends for get togethers, etc. is the responsibility of the parent/guardian.

We thank you in advance for your assistance as we strive to provide the best transportation possible for each student! Our goal is to ensure that all children are transported safely and efficiently.

Thank you,

Michelle Clark
