Re: In the Matter of New York State Electric & Gas Corporation Case 25-E-0375 Electric Rate

Adopting the Direct Testimony and Exhibits of Rebecca Evans on Behalf of the City of Ithaca

Dear Secretary Phillips,

I am writing to respectfully adopt in full the testimony submitted by Rebecca Evans in the above referenced rate case.

On November 7, 2025, the City of Ithaca filed a testimony and accompanying exhibits as prepared by Rebecca Evans. The testimony addresses concerns that the City of Ithaca has regarding NYSEG's proposed rate increase and the structure and process of service disconnections.

As Rebecca Evans is currently on medical leave and unable to provide a signed affidavit, and as I possess comparable expertise and am similarly employed to provide climate planning for the City of Ithaca, I am adopting her pre-filled testimony in full. I am submitting a signed affidavit to this effect to be included in the rate proceeding.

Please contact me directly if there are any questions or concerns regarding the adoption of this testimony.

Respectfully,

Siobhan Hull
