an Expedited Order Granting A Certificate of

Section 68 Of the Public Service Law.

NOTICE OF PUBLIC STATEMENT HEARING
AND PROCEDURAL CONFERENCE

(Issued December 2, 2021)

PLEASE TAKE NOTICE that comments are sought on a petition filed by New York Transco LLC (Transco), seeking a Certificate of Public Convenience and Necessity (CPCN) from the Public Service Commission (Commission), pursuant to Section 68 of the Public Service Law (PSL), to: (1) construct and operate the Rock Tavern to Sugarloaf project (RTS Project); and (2) exercise certain rights and privileges granted under four Municipal Road Use Agreements.

The Commission previously granted Transco a Certificate of Environmental Compatibility and Public Need to construct its RTS Project to be located the Towns of Blooming Grove, Chester, Hamptonburgh, and New Windsor in Orange County.¹ Among other things, the RTS Project will replace approximately 12-miles of overhead 115 kilovolt electric transmission line and associated towers located on existing overhead electric transmission corridor and/or on adjacent land already owned or controlled by certain investor-owned utilities. In order to construct the RTS Project, Transco has secured municipal consents (Road Use Agreements) from each of the towns it will

traverse. Pursuant to PSL §68 and previous Commission orders, Transco is required to obtain a CPCN to exercise municipal consents and to construct or operate any additional electric plant.

Transco requests that the Commission issue (1) a CPCN pursuant to PSL §68; and (2) confirm that the lightened regulatory regime the Commission previously granted to Transco as a wholesale electric market participant extends to the RTS Project.

PLEASE TAKE NOTICE that comments are sought on the petition filed by Transco, on November 9, 2021, in this proceeding. As this is not an opportunity for parties to relitigate issues already decided by the Commission in Case 20-T-0549, comments should pertain to Transco's ability and readiness to commence construction of the Project as contemplated by PSL §68.
