Re: Case 25-E-0722 - In the Matter of the December 15, 2025 Electric Emergency
Plan Review (2026 Plans)

Dear Secretary Phillips:

Consolidated Edison Company of New York, Inc. (“Con Edison”) submits for filing its Electric Emergency Response Plan (“2026 ERP”). The 2026 ERP contains confidential communications and personnel data. A redacted version of the 2026 ERP is provided for filing. An unredacted version of the 2026 ERP is being provided today to the Department of Public Service Records Access Officer with a request for non-disclosure pursuant to New York Public Officers Law §87.2 and 16 NYCRR §6-1.3.

Con Edison certifies that the 2026 ERP complies with the requirements of 16 NYCRR §105.4, and that, within the last 12 months, Con Edison has updated its list of contacts and conducted at least one storm drill pursuant to 16 NYCRR §105.3 (a) and (b).

Please contact me with any questions regarding this matter. Thank you for your assistance.

Sincerely,

Atts:
